

2006 - 2016

This is to certify that

West Australia Local Government Association

Has cumulatively contributed to:

The establishment of 544 native trees/shrubs
1972 tonnes of CO₂-e offsets through carbon credit projects

Carbon Neutral is a
carbon solutions
provider AND Australia's
largest biodiverse
reforestation offset
developer

Carbon Neutral works
with hundreds of
organisations to
measure, reduce and
offset carbon emissions.
