## WA Police

- The two CCTV cameras used by the Crime Prevention and Community Liaison Unit were originally purchased for covert graffiti operations.
- We conducted a project targeting theft from motor vehicles in Kings Park and Crawley. We worked with the City of Perth who deployed their own mobile CCTV trailer and 'friendlies' at nearby residences and businesses. The project resulted in three arrests.
- We engage with the relevant LGA if/when required. The cameras are available to other units in WAPOL.
